San Tan Water Solutions provides five years parts for the above listed equipment. San Tan Water Solutions also provides ten year labor with no trip charges. In addition, the cation resin, valve body, resin tanks, and brine tank in our system are covered by a twenty year warranty. The Service Agreement is inclusive of any US manufacturer's warranty that may exist during the Coverage Term. It does not replace the manufacturer's warranty, but provides certain additional benefits during the term of the manufacturer's warranty. This coverage begins upon the installation date. In the event that service is needed the customer can contact San Tan Water Solutions at 480-987-3788. In the event of an emergency or after hour service need the customer can contact Thomas Francis at 480-252-8436. This warranty is provided as a service to our valuable customers. In addition, the customer has all manufacturer warranties. San Tan Water Solutions does reserve the right to review equipment for signs of intentional damage and abuse. Normal filter changes and filtration media tank swap are not included in labor or parts warranty. By signing below customer acknowledges the receipt of this warranty.
